

April 2020

Hello Simley Soccer Players:

This year's soccer team fundraiser will be to sell Gerten's Plant Cards. Greenhouses and nurseries have been deemed essential so Gertens will remain open during the government stay-at-home mandate. Customers are still able to buy plants online and pick up orders at the store or have them delivered to their homes. To read more about "Gerten's To Go," please visit <https://www.gertens.com/gertens-to-go-how-to>

The fundraiser will give you the opportunity to earn money for the Simley Soccer Booster Club and reduce your 2020 Booster Fee (\$75). Did you know...the average Gerten's customer spends over \$100 in May? The fundraiser is not a requirement but can be done by you easily and can quickly pay for part of your 2020 Booster Fee. If you don't feel comfortable selling to others, you can still purchase these items for your own consumption.

Thank you in advance for participating in this year's fundraiser!

Plant Cards cannot be used for: paying invoices, purchases already made (for you or your organization), brick, block, aggregate material, grills, delivery fees, Landscape Design Service, and Gift Shop items.
